4 Bedroom, 3.00 Bathroom, 1,184 sqft

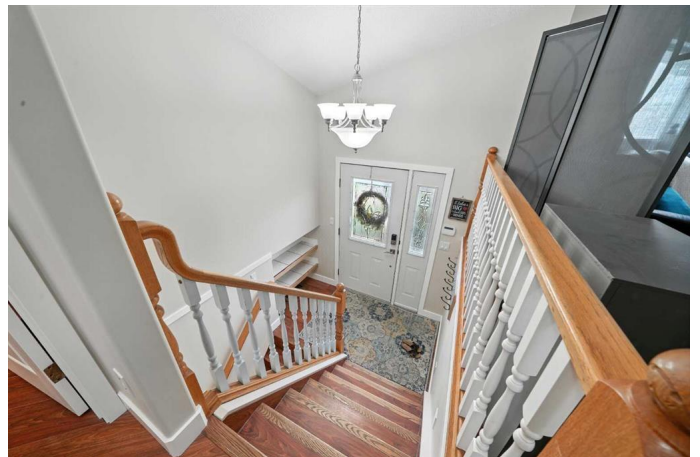

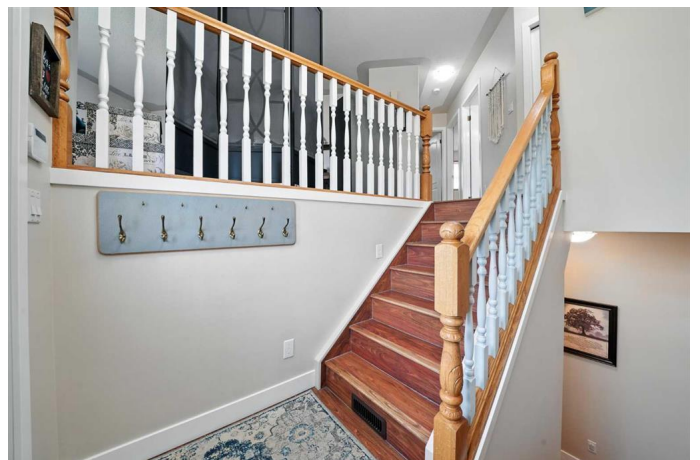

Residential on 0.11 Acres

Kentwood East, Red Deer, Alberta

This beautifully maintained, one-owner bi-level in Kentwood East home offers space, comfort, and thoughtful updates throughout. With 4 bedrooms (3 upstairs) and 3 bathrooms, this layout is ideal for families. Up the stairs you will find a bright, airy living room, filled with natural light. In the kitchen, you will love the stone countertops, tile backsplash, undercabinet lighting, and custom oak shelving with walnut inlay, new dishwasher and large pantry. Just down the hall are three bedrooms, including a spacious primary suite with a private 3-piece ensuite. A second 4-piece bathroom serves the additional bedrooms and guests. Recent updates include new laminate tile flooring in the kitchen and main bathroom, new carpet in spare bedroom, fresh paint throughout much of the home, and new trim, casings, and baseboards on the main level and bedroom down stairs.

Downstairs, the large family room offers a cozy atmosphere with a Napoleon gas fireplace (serviced May 2025) and a custom-built wet bar, perfect for entertaining. A fourth bedroom, a 3pcs bathroom, laundry room with sink, and a generous amount of storage complete the lower level. Outside, enjoy a fully fenced yard with fresh fence paint (2024), exposed aggregate sidewalks, and a private enclosed upper deck with a natural gas BBQ line. The landscaping features established perennials and a blooming Kelsey Crabapple tree.

Additional touches include eave plugs for Christmas lights and a wood shed on the north

side of the house. The detached double garage is a standoutâ€”heated with both under slab and overhead Reznor furnace(serviced and motor replaced 2024), finished with custom cabinetry, attic storage, Central vac, and is wired for 220V. Located near walking paths, schools, and parks, this move-in ready home offers quality, comfort, and pride of ownership in a fantastic family-friendly neighborhood.
