Highland Spruce Estate, Rural Wetaskiwin No. 10, County of, Alberta

Nestled in a quiet, private setting just a two-minute walk from Buck Lake, this charming 4-bedroom, 3-bathroom A-frame home offers the perfect mix of rustic character and modern comfort. The custom Lindal post and beam design gives it a warm, inviting feel the moment you step inside. The open-concept main living area features vaulted ceilings, large windows that flood the space with natural light, and a high-efficiency wood-burning fireplace that easily heats the entire home. The kitchen is both stylish and functional, with solid hickory cabinetry, stainless steel appliances—including a Jenn-Air 4-burner gas range—and plenty of counter space for cooking and gathering. Two bedrooms and a full 4-piece bath are located on the main floor, while the upstairs loft holds the primary suite, complete with a private ensuite and a walk-in closet featuring a built-in organizer. Downstairs, the fully finished basement feels bright and spacious, with large windows, a family room, 4th bedroom, 3-piece bathroom, exercise or bonus room, and a utility area. ICF Basement walls and sound insulation between the main floor and basement keeps things quiet and comfortable. Outside, the property continues to impress. The fully fenced backyard backs onto open farmland, offering peaceful views and privacy. A heated, oversized 28x26 garage includes a

workbench, cabinetry, and adjacent the garage is a hot tub outlet with a gravel pad ready to go. There's also a detached garden shed (great for equipment storage or firewood), and a small woodshed. Raised garden beds and the backyard are both fenced to keep wildlife out, making it easy to enjoy outdoor space without worry. For hosting friends and family, there are two trailer pads with power hookups, sewer connections, and a separate holding tank just for the RV sites, and a separate holding tank for the home as well. Water comes from a 155' well that pumps soft, odor-free water. Internet is reliable with Telus Hub (equipment included), and Starlink is also available.
