CORNER LOT in the heart of Marda Loop! Just three blocks from hundreds of shops, restaurants and cafes while being on a quiet residential avenue, this is an incredible opportunity for any builders/developers to make their next project a reality! With a 50' x 125' lot with RCG zoning FACING A PARK, this lot could accommodate a wide range of housing options and is the type of location that does not come up often. With gentle sloping to the rear, consider adding walkout basements or rooftop patios to take advantage of views of the city and the leafy green surrounding neighbourhood! A bonus with this property is the 4-car garage (double tandem) that could be rented separately or used for storage until you are ready to build. Existing structures are being sold as-is.
